Public Feels Indignant.

The public which is made to suffer by the conditions due to the strike, are indignant that no steps have been taken by the Commissioner to hasten a settlement of it. It was reported to-day that Commissioner Craven would have to resign, but that official declined even to comment on the report.

The strikers committee, representing the eleven stables in Manhattan and the Bronx, will meet this afternoon in flicelia's Hall, No. 418 East Eleventh street, to discuss the situation and perfect their organization.

HESE are the "Olym-■ pia" and "Criterion" music boxes, well known to readers of recent advertising. They have more richness and volume of tone than the most expensive imported makes, and in addition have the tremendous advantage of an unlimited range of selections, as they use the metal interchangeable music-disc.

The cases are of oak and mahogany, extremely rich, massive and handsome. They add much to the furnishing of a home, aside from their value as musical instruments.
